

Technical Exhibit TE-3

Government Furnished Property and Services

The following technical exhibit shows approximate data describing Government Furnished Property and Services in USACE. The purpose of including this exhibit is to provide potential service providers with a representative list of Government Furnished Property and services that will be available to the Service Provider.

These data were derived from a data call to the individual USACE Divisions, Districts and Centers, in July 2004. These data were processed by the PWS team by formatting and printing in PDF format.

These data were collected in late 2004, and may not precisely represent the situation at the time of the advertisement of the PWS.

If when you review these data and find errors, please use the evaluation form on the EBIS web site (<https://ebs.nab.usace.army.mil/ViewSolicitation.asp?SolicitationNumber=W912DR-05-R-0001&RegisterOption=True>) specifying Technical Exhibit #3 (TE-3) to communicate your corrections.
